Humble Memorial submitted by the Members of the Muslim Educational Association, Mangalore, South Kanara.

Dated ~~15th December~~ 10 January 1928.

The memorialists named above respectfully beg to submit as follows:—

1. We had the pleasure and privilege of waiting upon His Excellency the Governor of Madras in Deputation during His Excellency's recent visit our District.

Among the many disabilities, we laid before His Excellency on t occasion, one related to the increased accommodation we stand in very urge need of, for the extension of the Educational activities of *our boys and girls*.

3. Recognising as we do that the progress of our community which about ten thousand strong in the Municipal area of this town rests mair in the imparting of education to our boys and girls, we have started t schools in the centre of the town up to V Standard, where about two hundr and thirty boys and girls receive their education. Though both these schools a recognised by Government, the accommodation in them is very limited. One the schools is now located in an old rented building and the other in a sm structure newly built close to the Mosque.

4. We desire to combine both the schools by extending and enla ng the existing new building and thereby raise the school up to the VI Standard and also open a play-ground for the use of the students. We a hemmed in on all sides, as will be seen from the accompanying plan, and v are consequently much handicapped in the matter.

In order to attain our object in view, we need at least about tw acres of ground close to the present school building and is marked in tl enclosed sketch. The attainment of our object is, however, beyond our reac without the helping hand of the benign Government, in as much as the lar in view belongs to private individuals.

6. When this representation was made to His Excellency by the Deput ion, His Excellency was pleased to advise us to submit our representatic to Government through the proper channel, and that the matter would recei sympathetic consideration by Government.

We therefore beg to approach the Government now with this Memorial, praying that Government may be pleased to direct the acquisition of the land, shown in the Sketch, for the purposes detailed above, and to deliver the same to the Muslim Educational Association.

For which act of kindness and mercy, we will ever feel grateful.
